PROFESSIONAL SUMMARY

Business English student at Foreign Trade University with a strategic ENTJ mindset, analytical depth, and a genuine passion for brand architecture. Armed with hands-on experience building and positioning a personal brand from the ground up, I translate consumer insights into clear, compelling brand narratives. I am seeking a Junior/Intern Brand Strategist role where I can channel market research acumen, cross-cultural communication, and creative thinking to help brands grow with intention and impact.

EXPERIENCE & LEADERSHIP

Founder & Brand Operator | Personal Crochet Business (Online)

2024 – 2025 | Self-employed, Hanoi

- Conducted market trend analysis to identify target audience aesthetics and product-market fit within Vietnam's growing handmade goods segment.
- Developed full brand identity including visual language, tone of voice, and content calendar across social media platforms.
- Managed end-to-end e-commerce operations: product photography, pricing strategy, customer communication, and inventory planning.
- Iterated brand positioning based on real-time customer feedback and engagement data, achieving measurable growth in repeat buyers.

External Relations & Events Volunteer

Thai Binh Specialized High School | Admissions & Community Outreach Team

2022 – 2024

- Co-organised "Chợ Tết 0 Đồng" (Free Tet Market 2026), managing logistics, volunteer coordination, and on-site communication for 100+ attendees.
- Served as Admissions Counsellor, crafting and delivering persuasive messaging about school programs to prospective students and families.
- Provided operational support for the National High School Exam (THPTQG) and Grade 10 Entrance Exam — coordinating teams under time-sensitive, high-pressure environments.
- Participated in CDC club activities including content production, external communications, and community storytelling campaigns.
